

# COMMENTING ON *the* WEB

- Do not leave full name. “Sam’s Mum” or “Ted’s Grandfather”**
- Be safe – don’t reveal any personal information.**
- Read all of what you are commenting on.**
- Start with a compliment.**
- Add new information, especially facts.**
- Connect with a personal story of its relevance to you.**
- You could end with a question.**
- Proofread.**

This made me think about ...This reminds me of ...I appreciate that your post ...  
I feel that we should ...I can relate to this because ...Another thing to consider is ...  
What I'm wondering is....I notice you were trying to....I can see how you meet the  
success criteria with.....I discovered.....I don't understand.....
