Where are the homonyms?

Circle all of the homonyms that you can find. Decide whether the word is used correctly or incorrectly. If it is used correctly, leave it alone. If the homonym is used incorrectly, write in the correct homonym and create a sentence using the incorrect word correctly.

The reign would not stop. For too knights I sat on the stares and prayed for the weather to improve. My bones were soar and achy from sitting, and I was getting hungry. I went to the kitchen and made a yummy stake dinner with salad, potatoes, and beats. After I ate, I caught the tale end of the local news. The story that I caught was about a strike at an Iron Oar Company. From what little part I saw, I guest the strike was over money and working conditions. After the news their were a bunch of commercials advertising massive post-holiday sails. I was getting board so I decided to take a brake from the television and take a nap. I got up early the next morning to sunshine. The rain had stopped. I pored myself a glass of juice and eight waffles for breakfast. I did not waist any time and went right out to meat my friends.

Homophones Worksheet

English

As you read the following selection, circle all of the possible homophones. If the wrong one is used, correct it.

Dear Sarah,

Hi! How are you? I'm having a lot of fun this summer. I was so afraid that I was going to be board all summer long, especially if I had two spend to much time with my family. But, so far I'm having a grate time.

I went camping with my family. We went down by the creak on my grandparents' farm. We had beautiful whether; it didn't rain at all, and there was a lot of son. My grandparents aloud us to borrow there boat too go fishing. My brother didn't catch anything because he broke his real. My mother and I went for a walk threw the woods and saw several deer. They were so pretty--light brown with white tales, but they turned and ran away when they picked up are sent. The funniest part of the trip was when my brother was out in the boat, and he lost an ore trying to swat at a be. He tipped the boat over and let out a whale because the water was vary cold. One knight my mother maid steak over the campfire fore dinner. That was awesome.

Eye also got a knew pair of rollerblades this summer. Unfortunately, I need a lot more practice. The first time I tried them I thought I was going to dye. I kept falling on my but, and once I almost broke my nose when I ran strait into a tree.

Its time four me to go. I hope to sea you soon. By-by for now.
